Walks through the palm gardens of Ouled Driss

Our hotel is located in the vast palm gardens of Ouled Driss. There are numerous fascinating walks possible in the immediate vicinity. We give you useful tips, or if you wish, we will send a local guide with you .

Each walk will immerse you in a completely new and unknown world. The locals in the small villages are exceptionally friendly and welcoming. You ask the way? Most likely you'll going to end up in their simple houses to join them for the thee ritual.

Some interesting walks :

- > The medieval village of Ksar Ouled Driss
- > The Kasbah and the small anthropological museum of Ouled Driss
- > The fields around the village, with a maze of irrigation canals
- > The 800 year old village of Ksar Bounou
- > The lush palm gardens of Bounou
- > Visit to local craftsmen
- > Visit to cooperatives that give work to local women
- > And so much more
